NANCY OYLER CURTIS FAMILY DAUGHTER OF FREDERICK

9109 I have corresponded several times with her great granddaugher Elizabeth Bell of Sequatchie Tenn, and I have been in that area once about 1980 where Elizabeth who is a widow, fed me a very good breakfast, then took me to the farm where we think Frederick Oyler lived from about 1813 to his death 1868.

We also visited the court house in the county seat, which is Jasper and found several references to our family

Here is the family line for Elzabeth Bell

36 1. Conrad Oyler ca 1690-1751
1223 2. Valentine Oyler 1722-1790
1277 3. Valentine#2 Oyler ca 1754-1825
8687 4. Frederick Oyler ca 1785-1868
9078 5. Nancy Oyler Curtis 1826-1897
9089 6. Angeline Curtis 1856
9103 7. Edward Curtis 1886 COPPINGER
9109 8. Mary Elizabeth Curtis 1918 ✓

On September 29, 1978 Elizabeth wrote me from Sequatchie Tenn" I got most of my information from my great uncle Dave. He lived to be 86 years old and died in 1939.
I should have written it down and thought I would never forget. He said his mother Nancy Oyler's father was Frederick. I have heard them mention her having a brother Daniel. One of her daughters Brazelley had a son 8752 named Daniel, Uncle Dave said they were called the black dutch. So many of them have the same names.
Great grandmother and great grandfather are buried in the old aband oned cemetery called Mt Zion, that was used as a church and a school"

Another letter I received May 13, 1983 from Elizabeth Bell reads as follows: " Dear Monroe: I'm sorry I haven't written to you sooner to order the book, I have been waiting for cousin Mildred to send information concerning her family. I am sending information that Zella Armstong, now deceased wrote in 1940. I was surprized to read that Daniel and Frderick Jr fought in the Cherokee war.
I have't heard from Earl and his family in quite a while. I hope he and his family are well. I hope you will make a copy of this to send to him.
Please write to me after you have heard from Mildred, then I would like to order your book, I hope that you and your family are well and I look forward to hearing from you. Elizabeth"

Then on March 8, 1984 I received another letter from Elizabeth Bell as follows: " I'm sending you the information on Dade county, Ga on the civil war. I didn't know if uou had it or not. There are several Oylers in tthe book. Who is George W Oyler. I didn't recognize his name. He has to be some of our kin folk. It is very interesting to read. Would you care to send Earl a copy. I never hear from him. Thank you"

Mildred that Elizabeth refers to is her cousin, who lives in Chattanooga in fact Mildre Albea her present married name is both related to the Curtis and the Oylers

8838 George W Oyler she refers to is the brother of my grandfather James Monroe Oyler

The Daniel and Frederic Jr were my great grandfather and his brother

Dear Mr. Oyler,

First, I would like to apologize for not responding to your letter sooner. I have been inputing the data which you supplied several weeks ago. I have, a cousin in Utah who has access to the Morman Church files and she has confirmed your information.

I regret that I don't have a great deal of information on the Curtis family yet, but I have only recently begun to search for them with with diligence. I have however, made a copy of the information which I do have and you will find it enclosed.

I also wish to thank you for the possible contacts in my search for Curtis'. I will be writing to both Elizabeth Curtis Bell and Bev Navarrette soon.

Thank you again for your help.

Sincerely,

Lawrence William Haynes, Jr.

Dear Mr. Oyler,

While looking through the History of Marion County, I was pleased to find your contribution of the Frederick Oyler family. I am a descendent of Hiram G. and Nancy Adeline Oyler Curtis, and my search for ancestors was stalled at that point.

If you can fill in any more blanks where dates, locations of births and deaths, and names of people other than those referred to in the article, I would appreciate the information.

Although not complete, I have collected a considerable amount of information on the Curtis line and would be happy to share it with you if you would care to have it.

Thank you for your time and I will be awaiting your reply.

Sincerely,

Lawrence W. Haynes, Jr.

Dear Cousin,

Sorry about the delay. I'm almost finished with my family history and I've been devoting most of my time to that project.

My great grandfather, Jeremiah Franklin Cunningham, was born, in Lawrence county Arkansas, 22, August 1864. He was a blacksmith and railroad worker. He was also postmaster at Hopewell Arkansas in 1905. He married, Emma Rhoda "Emmer" Clark, 13 September 1888, and they had nine children. Emmer died 20 October 1920. Jeremiah died 16 November 1943. Both are buried, in the Galatia cemetary, near Norfork Arkansas.

Their oldest child, my grandfather, Hervey Bernard, was born at Hopewell in December 1889. He was a station agent and shipping clerk for the Iron Mountain division of the Missouri Pacific railroad. He married, Nina Lynch, 17 July 1915, at Crockett Arkansas. They had nine children. Hervey died, in Pryor Oklahoma in October of 1945, and is buried at Galatia. Nina died 04 April 1981 and is buried at Zion Arkansas.

Their oldest child, my father, Charles Franklin Cunningham, was born, at Guion Arkansas, 13 July 1917. He was a truck driver and heavy equipment operator. He married, Edna Lorraine Neel, at Norfork Arkansas 14 August 1940. Mom was born 24 September 1918 at Calico Rock Arkansas. They had four children. Charles died 16 March 1958 and is buried at Galatia. Mom is still living.

As for myself, I am the second born child. I was born, at Pleasant Valley Arkansas, 27 February 1944. I married, Dorothy Lea Craton in 1968 and we had four children. We are divorced and I am now married to Penny Reiter. We were married 23 July 1983 at Mountain Home Arkansas. Penny was city clerk at Mtn Home for 12 years. I was a professional musician for 27 years until I retired in 1981. All of my predecessers were musicians. Mostly fiddle players except for me. I never could get the hang of that. I played guitar mostly although I do play Banjo, Piano, Organ and Mandolin.

I began researching the family history in 1982 and have found it to be a most exciting experience. There is, as you know, no beginning or end to geneological research but the four hundred years of history that I am having published is finished, (except for the index). I should have it ready for the publisher in a few weeks.

Let me take this opportunity to thank you again for sending me the information on the Oyler family. I had very little information on "Granny Oyler's" family and most of that was wrong. (A possible clue 3451 to the identity of Sarah Oyler's father is that her grandson, Van Cunningham, is said to have been named after her father. This is where I got the name Frederick Van Oyler (8150 ?) that I wrote to you about before).

We plan on having another family reunion next year. If you would like to come and meet some of us crazy Cunningham's I will see that you recieve an invitation. Let me know.

I have some yard work to do so I'll close for now. Take care and keep in touch.

Cordially

Roy Cunningham

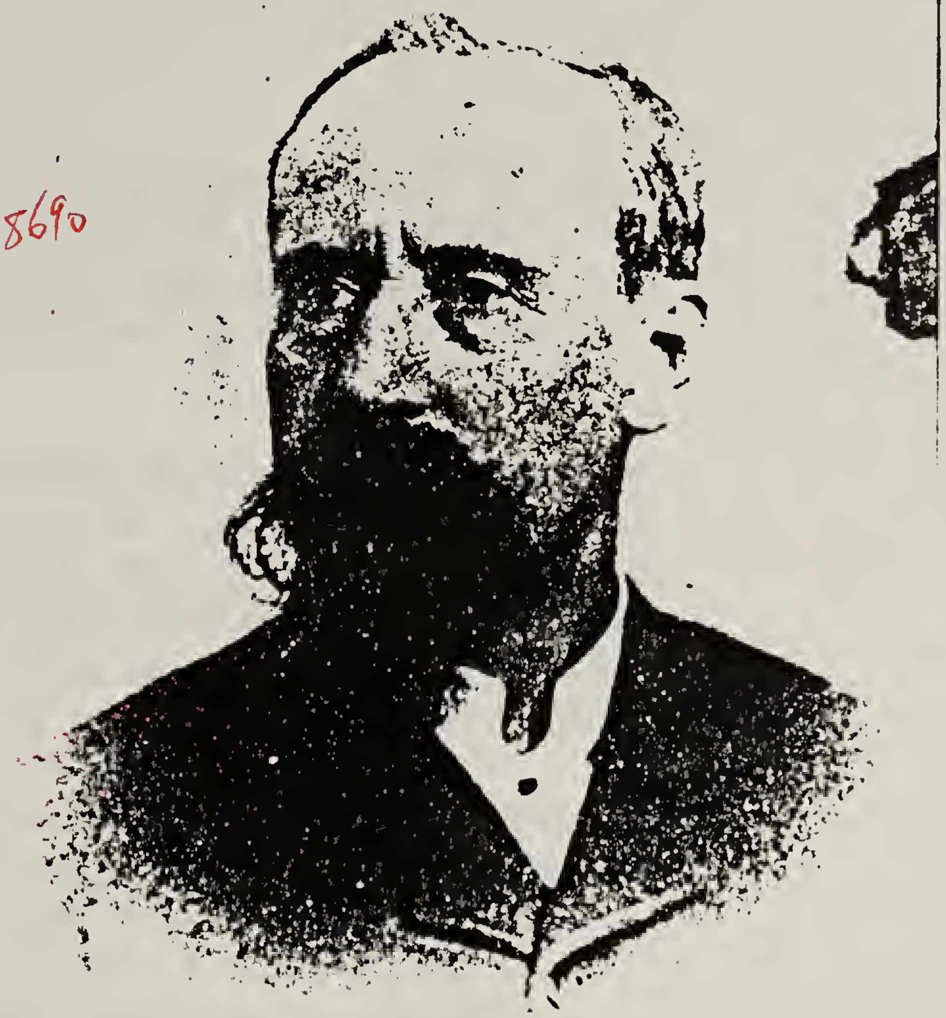
Oyler

8694

One of the more accomplished descendants of Conrad Oyler is William Henry Harrison Oyler, whose mother, Mary "Polly" Oyler, 8690 *was a 5th generation descendant of Conrad. Although his father's true identity remains unknown today, this apparently did not retard his drive and determination to excell and accomplish. Among his noteworthy accomplishments were: His impressive record as a young officer in the Civil War; The first Clerk of The Circuit Court of Stone County Arkansas; A well-respected Arkansas Legislator; Becoming a sought-after Methodist Episcopal preacher, and a country school teacher; plus successfully raising a family of 10 children, all of which will be further discussed in the following unofficial biography.*



William H. H. Oyler
(1837-1909)

There is very little information about William H.H.'s childhood, except that he was born in Marion County, Tennessee, on November 24, 1837. The record reflects his brother, Gideon, was also born out of wedlock in the same county in (circa) 1843. (Gideon's father was 8692
38461 Henry L Maroney, established during a bastardy suit filed and won
8640 by the mother, Mary Polly Oyler, April 1, 1844, in Marion County, Tenn.) Previous folklore regarding William H.H.'s father being an indian that Mary Polly fell in love with are, to date, unconfirmed and which have received nothing to verify these hand-me-down stories.

William H.H.'s grandparents were Frederick Oyler and Nancy Cochran. (Nancy Cochran's father, Captain Samuel Cochran, was a well-decorated veteran of the Revolutionary War of 1812, whose accomplishments have been noted previously by others including
8871 Monroe Oyler of Decatur, Il.) His mother, Mary Polly, married Thomas E. Barnes, Jr. in 1845 near Jasper, Tenn., and then moved along with her two young boys to Sharp County, Arkansas, about 1856, where she and Barnes had four more children before his death about 1864, and hers in 1873 (or 1878). Records indicate that Gideon remained in the Sharp County area, but not William H.H. as the record shows he was residing in Izard County (Now Stone County) without any family in 1858.

8694

William H.H. became a young understudy of a well-known Methodist Episcopal preacher, The Reverend John H. Mann, (whom Oyler greatly admired) who took Oyler under his wing and taught him "The Bible" after it was determined that Oyler felt "Called to the Ministry".

It is thought that during this time, Oyler, for the most part, made his home with Rev. Mann, and about the age of 22 professed his love and admiration for Rev. Mann's daughter, "Miss Nancy". Billy and Nancy were married on July 14, 1858 (or 1859) at her father's residence in Riggsville (West of Mountain View) with the ceremony performed by The Reverend Mann. Nancy was 15 or 16, as she was born in 1843. 8695

Apparently the young couple remained in (then)Izard County for the next several years where William H.H. taught school and continued to study and preach under the direction of "Uncle Johnnie" Mann, who was now his father-in-law. During Oyler's 5 or 6 years in the ministry, he baptised more than 600 people and performed 356 marriages. These numbers are remarkable because he never solicited this activity; And he seldom performed marriages outside his immediate community.

At age 23, William H.H. enlisted in the Confederate Army, joining McCarver's Regiment at Pocahontas, AR, on Sept. 1, 1861. His records indicate he was promoted several times during the Civil War, rising to the rank of First Leutenant. Military records in Washington archives also reflect he miraculously escaped being wounded, or having been on any hospital list during the Civil War. This is especially note- worthy since his record shows he fought in twelve (12) major battles, including Shiloh, Murphreesboro, Atlanta, Nashville, and Missionary Ridge, plus numerous skirmishes. Moreover, Oyler was twice captured by the Union army—the first time near Jonesboro, GA, on September 1, 1864, and released during a prisoner exchange 18 days later. Then recaptured near Nashville, TN on December 16, 1864, and sent to a Federal prison at Louisville, KY. Fourteen days later, he was transferred to Johnson's Island military prison near Sandusky, OH, where he walked 3 ½ miles across the ice of frozen Lake Erie between the town and the prison. There he apparently remained until the end of the war and his release on June 17, 1865, arriving home in Arkansas on July 9.

After his return home from the Civil War, William H. H. and his wife, Nancy, settled on a farm near Mountain View, the seat of Stone county after the breakup of Izard county prior to 1869. Between 1866 and 1882, Billy and Nancy had 10 children. One son, Charles G., died in 1889 at age 15. Another son, Owen, who resided in Park County Montana, took his own life in 1918. Their other eight children, many of whom settled in Montana and Wyoming, enjoyed longer lives.

Billy entered politics in 1878 and was elected Clerk of Circuit Court in Stone County for 4 two-year terms. In 1886 , he ran for State Representative on the "Wheel" ticket, and was elected. However, two years later he ran for reelection on the Democratic ticket, but was defeated by his opponent on the "Wheel" ticket, Oyler's former party. Two years later (1890) he was elected to the Arkansas Senate, thus resuming a distinguished career as a Democrat representing the people of North Central Arkansas as their State Senator in the Statehouse in Little Rock. His tenure in the Arkansas Legislature was recorded as "Conservative, consistent, and straightforward, having the respect and confidence of his peers. But, unlike many of his peers, never bored the senate with long and useless speeches. To the contrary, when he addressed them, he spoke to questions of issue, made his arguments short and clear, and received respectful attention."

There is reportedly much more on Sen. Wm. H.H. Oyler in the Arkansas historical archives in Little Rock, but the building in which they reside is closed and under renovation for several more months. Of the many items maintained by this "Society" is a large photo of Senator W.H.H. Oyler that hung in the Capitol Rotunda for many years.

Nothing official confirms the circumstances causing William Henry Harrison Oyler's death. But one plausable account from his granddaughter living nearby, indicates he succumbed to a continuing problem with his liver, aggravated by acute eczema. He lived until November 12, 1909. (Some accounts show 1912) He is buried in Mtn. View Cemetery, Stone County, Arkansas, coincidentally just a few paces from the grave of Rev. John H. Mann. Soon after Senator Oyler's death his widow, Nancy, went to live near some of their children in Park County, Montana, where she died in October, 1910.

Mr. Monroe Oyler
Decatur, Il

Dear Monroe,

Enclosed is our latest revision of the ever-changing saga of William Henry Harrison Oyler. Since you are apart of the "Family" and have generously provided your time and resources toward the assembly and production of the "True and accurate" details surrounding the lives of Mary "Polly" Oyler, and especially about William H.H., perhaps our most accomplished ancestor. There is no doubt that many inaccuracies remain in this biographical effort, and it is likely the complete story will never be fully known. But nonetheless we felt such an interesting person deserves more than just nominal efforts in detailing his apparently exciting but distinguished and remarkable life.

After perusing the attached, please advise me of any errors, inconsistencies or omissions in its contents. You are also sincerely encouraged to provide us with anything germane to this noteworthy ancestor's story that would clear up or better explain specifics. There are long gaps in this man's life that surely included many exciting details, but go undocumented. Those periods would be during his child hood in Marion County, Tennessee, as well as how and with whom he arrived in Arkansas about 1856. Additionally, there is little or no information available about Wm. H.H. and Nancy while raising their 10 children in Stone county for the15 years immediately following the Civil War.

There is a variety of folklore about his having slaves on the farm, and perhaps his having trouble with the U.S. Government about his slave(s) subsequent to the Civil War. There is also nothing on record to suggest he maintained contact with his mother, brother and stepfather who were apparently living in Sharp County just a few miles across White River. There must be many interesting stories about Nancy and the children on the farm while Wm. H.H. was on his preaching and marrying circuit, campaigning for political office, and during the many weeks he spent in the Capitol while the Legislature was in session. Why did so many of Wm.H.H.'s children settle in Montana near Yellowstone Park? And the list of questions endlessly continues.

Hopefully you will enjoy this update. And you are again urged to critique, add, delete, and/or provide anything that would help complete this great biography of a man who deserves more than just a token account of his remarkable life. Moreover, since you previously mentioned that our great-grandfather's fought together for the South, I thought the Military portion of W.H.H.'s story would be of particular interest. Also, Monroe, it was interesting to see how generous you were with your time and resources when I visited my first cousin Freddie Story Luther recently and perused through her vast collection of geneological data.

We hope this finds you well and happy,

Best regards,

Dale

Because she is the next in our anscestrial lineage I have saved 690 the oldest child of Frederick and Nancy Cochran Oyler for last. Mary "Polly" Oyler was born, in Franklin County Virginia, in 1812 and accompanied her parents to Marion County Tennnessee, where they settled in the Jasper community, in 1815. Her first three children

were born out of wedlock. She married, Thomas E Barnes, in Marion County, in 1845 and they, apparently, made the journey to Lawrence County Arkansas with Samuel Brainard and Sarah Oyler Cunningham, in 1857.

Polly's first three children were born, out of wedlock, in the Jasper community of Marion County Tennessee. They were 43451 Sarah Elafare, 8694 William H.H. and 8692 Gideon E. Polly and Thomas Barnes were the parents of four children all of whom were born in Tennessee. They were 8745 Sarah A born in 1847, 8746 Nancy A born in 1851, 8743 John, born 1853 and 8747 Mary S born in 1856. Polly died, in Lawrence County Arkansas, in 1873.

43451 Sarah Elafare Oyler. (see Samuel Brainard Cunningham).

8694 William Henry Harrison Oyler was born, on the 21st of November, in 1837. He married, Nancy Mann, about 1866. Nancy, father's name not known, (he died prior to 1880), was the daughter of 36435 Sarah E Mann. (maiden name not known). Nancy was born, in Tennessee, about 1842. To this union were born eight children all of whom were born in Lawrence County Arkansas. 8696 William A born in 1866, 28793 John S born in 1867, 36436 Mary E born in 1868, 36437 Nancy L born in 1870, 8697 Frances born in 1872, 36441 Charles G born in 1874, 36442 Levina K born in 1876, 36443 Olivia born in 1878 and 8738 Owen born in 1880.

William served with the 8th Regiment, Company G, Arkansas Infantry during the Civil War. No further information.

8692 Gideon E Oyler was born, on the 22nd of October in 1843. His father's name is uncertain but the court records of Marion County Tennessee state that Polly brought suit against a man named 38461 Henry I Maroney, for an act of bastardy, in 1844. This is very likely Gideon's father.

He married a girl named 8693 Rachael A, maiden name not known, about 1865, probably in Lawrence County Arkansas. As of 1880 they had seven

children. 38920 Mary E, born in 1865, 28778 John born in 1869, 28775 Jerry A born in 1871, 38921 Salome C born in 1873, 38922 Lucinda born in 1875, 38923 Nancy A born in 1878 and 38924 Martha born in 1879.

Gideon served, with his brother William, in the 8th Regiment, Company G, Arkansas Infantry, from 1861 to 1865. He died, in Lawrence County Arkansas, on the 30th of September in 1915.

William's H.H.'s
wife - Nancy
went to Montana
to her sister
& 2 of her sons
after her husband
died.

The counties of north central Arkansa gre beautiful. It is the foothills of the Ozark Mountains with many many mountains ahd valleys. The White River runs through this area. It is a very clear body of water, very clean.
It was to this area that William H.H. Oyler came with his mother, Mary(Polly) Oyler Barnes, and her family. She had two sons, William H.H. and Gideon before she married Mr. Barnes. She had four children by Mr. Barnes.

Both of her older sons were in the Civil War. William H.H. at the age of 23 years, joined the Conferate Army in 1861 at Pocahantas, Ark. He was a Lieutanant in Company G, the 8th Regiment of Arkansas. He was captured the 12-16-1864 at Nashville Tennesse. Then imprisoned at a Military Prison the 12-22-1864 at Louisville, Kentucky. He was moved to Johnson Island, Ohio. He was released the 6-17-1865 at the end of the war.

This area of Arkansas is still rural . At the time of William H.H. it was very rural. He became a follower of John H. Mann, a circuit rider minister in the early days. Reverend Mann covered three counties by horseback. He homesteaded a large acreage west of the town of Mountain View. The bound aries were from Hughes Creek to Cow Mountain on the west. Rev. Mann had a large family. Many children. William H.H. married a daughter of Rev. Mann's (Nancy).

Nancy was given land as a part of her dowry. She bought the heirs out as they moved on to other parts of the country. The deeds in the local courthouse record these transactions in her name.

William H.H. helped build the first Methodist Church in Mountain View. Became the first pastor there. I became a member there in the same building without knowing that my great-grand father had built it. Some of the old people of the church told me about him how he had baptized their children. How very straight and tall he walked. Very dark, an indian, he looked. My grand father never talked about him.

He was very active in the new county, selected as State Representative for the area. Served the county as County Clerk. A small church was built on the Mann land and became the Oyler's Chapel. Iremember this building. It served the area as a school building also.

144 B

8694 William H.H. and 8695 Nancy raised a large family. In the local cementary there is a stone for 36441 Charles Oyler who died when he was fifteen years old. Their son who died of a fever. They raised a son of an unwed daughter. The children left this area as they grew up. One daughter to Wyoming with her family; three, a daughter and two sons went to Montana to an Aunt, Sarah Criswell. Another son went on to the state of Washinton. My grandfather, Frances(Frank) was the only child who stayed here on the Oyler place.

8695 Nancy Mann Oyler went to Montanna to her sister, Sarah Criswell, and two of her sons, Oven and Olen whoworked on the large Criswell Ranch in Clydepark, Montanna. after her husband (died) ; she died there in 1910. She is buried there.

8697 Frances Mann (Frank) Oyler married 36438 Effie Tubbs , had one daughter, Ollie, He lost Effie. He married 8698 Molly Killian; they had six children. Four daughters, Ruby, Ruth, Buelah, and Marie- my mother. Two sons, Houston, who died at the age of 29 leaving 2 children, Don and Gwenith and his wife Julia Kendrick. Hulen, another son lived here in Mountain View until his death in the 60's. He had four children, three sons, Dale, Gene, and Jack (a minister) and one daughter, Helen.

8698 Molly Killian Oyler, Frank's second wife, died when her oldest child was 13 years old, and her youngest, Marie -my mother-was 1½ years old. My mother was raised by her older sisters. My grandfather never remarried.

He lived on the farm, took jobs such as Deputy Sheriff and raised all of his children to adulthood.

My mother married 8731 Earnest B. (Pete) Storey when she was 17. He was 28 at the time. She was very pretty, probably very spoiled also. He was the oldest of a large family who made their living at stavemilling. His environment was hard work, Saturday night parties and heavy drinking. He took much pride in his strengh and how much whiskey he could hold.

They had five children and much trouble - she contracted T.B when she was 32. Was hospitalzed . Her youngest child was put in a foster home. His drinking and her illness was more than he could handle, so the drinking was worse, they were divorced when I was seventeen. She died at the age of 49. The T.B. and all the problems had ruined her health. My father died last year at the age of 79. His family had cared for him for years.

T.B. may have been a family disease. The Killian family had it also.

RANCHER SHOOTS HIMSELF IN HEAD

8738 Owen Oyler commits suicide by discharging a rifle through his brain at his Willow Creek Ranch

With his head almost blown from his body, Owen Oyler was found at his ranch near Willow Creek last night with indications pointing clearly to suicide. He had discharged a rifle into his brain while sitting upon the edge of a bed within his ranch house.

Sheriff Robertson visited the scene last night and the body was brought to Livingston. It is believed that Oyler shot himself while in a fit of mental abberation.

He formerly lived near Clyde Park and has been employed at different times in the Northern Pacific ahopa here.

THE PARK COUNTY NEWS Fridya July 12, 1918

COMMITS SUICIDE FOLLOWING DEBAUCH

Willow Creek Rancher was despondent over thought of having to fight

Owen Oyler, aged 38 years, was found dead, by his own hand, at noon Saturday, at the ranch residence of John Vicars on Willow Creek. Death must have occurred between 7 and 8 o'clock that morning.

WAS GRUESOME FIND.

When found at noon by Orie Cox, a neighbor, the body was cold, a .30 calibre bullet from a high powered hammerless automatic Remington rifle, the property of Adam Vicars, a brother of the owner of the ranch, had entered the left temple and tore off the entire top of the skull above the eyes.

LEFT NO FAREWELL NOTE.

The body was fully clothed and was lying across the bed from the edge of which the deed was committed. The rifle containing but one empty shell, was resting with its stock on the floor with the barrel under the dead man's left arm where it had fallen when the body went backward on the bed.

A thorough search of the premises failed to reveal a farewell note or any other indication of the man's intention to end his life in so summary a manner. In his inside coat pocket was found an unloaded Colt of small calibre.

THE PROBABLE CAUSE

For lack of a positive cause, it can only be surmised from what Oyler had said to his two neighbors on the two days preceeding the suicide that the act was the result of despondency following a debauch in the city when he was laboring under the delusion that officers of the city police department and sheriff's office had been "following him around town on July 4 with the intention of either putting him into the penitentiary for life or making him fight the Germans."

81

There can be no doubt but that this fear, coupled with the fact that his wife had left him last fall while he was employed in the local N. P. shops, had preyed on his mind to such an extent that it gave way and the debauch and suidice was the immediate result.

SHERIFF HAD ACCIDENT.

Coroner J mes W. Whitfield and Sheriff Al Robertson were notified by phone of the suicide by Orie Cox and Robert B. Kenney who were working in a field nearby. The county officials reached the scene about 3 o'clock in the afternoon, the delay having been caused by the breaking of the main steering knuckle on Sheriff Robertson's auto which nearly resulted in a fatality to the officer. The car narrowly missed the left embankment on the highway a few rods north of the Hunters and Clyde Park crossroads, but was stopped by a quick application of the brakes before any damage was done. The party made the remainder of the journey in Coroner Whitfield's car.

BROKE INTO TRUNK

From the appearance of the contents of a trunk in the back room which belonged to Adam Vicars and which had evidently been broken into, it was seen that Oyler had made a hurried search for the weapon and finding a single cartridge decided then and there to commit the act.

Coroner Whitfield traced the course of the bullet from the barrel of the rifle, through the man's skull, while he was still in a sitting position, and through the side wall of the building where it must have gone with still considerable force, for a thorough search of the outside of the house failed to disclose it.

The barrel of the rifle must have been pressed tightly to Oyler's temple for the hole was scarcely larger than the diameter of a lead pencil and the powder marks extended for not more than an inch around the wound. The case was so evidently one of suicide that Coroner Whitfield decided an inquest unnecessary.

BURIED AT ROCK CREEK

The funeral, which was in charge of the J. W. Whitfield undertaking establishment, took place Wednesday morning from the Rock Creek church. Interment was in the Rock Creek cemetery.

8696

Besides his wife, whose whereabouts could not be learned, deceased leaves five brothers and two sister: William A. Oyler of Clyde Park, Cecil Oyler, now fighting for his country in Co. C, 163 Infantry, in
739 France, Olan Oyler of Miles City, John Oyler of Mountain View, Baxter Co., Ark., Mrs. Mary E. Hunt of Forsyth and Mrs Lou Martin of Oklahoma. At the request of Wm. Oyler, Public Administrator Dan. J. Fraser has taken charge of the man's business affairs.

HAD GOOD PROSPECTS.

Young Oyler's affairs were apparently in good shape. He owed but very little money. He had 60 acres in fine winter wheat which looks as though it would go nearly 30 bushels to the acre, and he had just finished plowing 10 more acres of his 160 which he intended to seed this week. He also owned three good work horses and two colts.

John Vicars, brother of the local druggists and ranchman, from whom Oyler had taken a three year lease last year, is seeing service in

France in Company D, 4th Battalion of the 20th Engineers.

ANOTHER SAD FEATURE.

A sad feature of the occurrence, other than that of the death itself, was the sight of a photograph of Oyler's brother Cecil, sent to the Park County man recently from France, tastefully displayed in the bed room. The smiling face of the soldier boy was turned directly toward the bed upon which lay the dead brother, and underneat the photo was written: " Good luck to you, and have lots of courage. From your loving brother Cecil".

This portion of the Oyler family is about Jack Lindsey Oyler, who lives in Mountain View Arkansas 72560. Jack's great-grandfather was William H H Oyler, who was a nephew of my geat grandfather Daniel Oyler.

This is their line of Oylers:

Jack has two brothers and a sister: Dale, Gene, and Helen Ann.

Jack is a minister of an Independent Baptis church near Mountain View and believe he works at construction work also.

Jack said in his letter to me of March 1983 that their area of Arkansas is a wonderful recreation area, also a Ozark Folk Center for musical and crafts and a large underground cavern, called Blanchard Caverns.

Rumors are that the father of William H H Oyler might have been an Indian. It appears that Gideon E Oyler's fahher might have been Henry L Maroney, as Mary Polly Oyler brought suit against in Marion Co Tenn court on January 1, 1844, for committing an act of bastordy against Mary Polly, and the court found him guilty and fined Maroney.

Mary Polly Oyler married Thomas E Barnes in Marion Co Tenn about 1845, they later moved to Arkansas dz

Dear Ms. Oyler :

Material on G.W. Oyler is very sketchy. This ~~breif~~ brief sketch is from "Centennial Review of Cincinnati", published in 1888.

Mr. Oyler is mentioned again in John B. Shotwell's "A History of the Schools of Cincinnati" as the president of the Principals' Association (1898-9).

I hope this information is somewhat helpful. If I can do anymore, please let me know.

Dear Monroe,

Thanks for your recent response and also for the interesting Oyler pedigree chart. I can recognize and appreciate the time one spends on these worthwhile activities.

Since I still maintain a full work schedule, it may be a while before I can devote more time to the Oyler heritage program. Perhaps the addition of a heritage software program will enable me to become more adept at gleaning out the extensive data from the documentation I am fortunate to have.

Also, Monroe, it was nice to learn that our Grandfathers were together during the Civil War. Thank you for this new information. You may also know Morgan Iler of Omaha, NE, whom I recently heard from. He has published several Oyler/Iler newsletters since 1966, and seems to have extensive data on the Oyler/Iler heritage.

It seems your son, Kent, and I are of the same age. Also, my parents and all my children are Southern Baptists (SBC). Currently, I am a trustee as well as chairman of the audit committee at the First Baptist Church of Anderson Hills (Cincinnati).

Your life appears to be varied and interesting, and I appreciate your sharing the details with me. May GOD bless you and your family.

Enclosed are some additional documents I hope you find interesting and useful. In the meantime, we will continue to assemble and share with you any data germane to the Oylers.

Again, thanks for your prompt and generous reply.

Cordially,

Dale

utter a single word seemed beyond me." At the time mentioned, Mr. Oyler was not what would be called an ordained minister and at this day and time, would not have been allowed to peform marriage ceremonies, but at that time it was different, and "he who preached could marry folks." The contracting parties was a certain Bridgman and a lady, the name of whom we are unable to give at this time. Bridgman was a ferryman at Livingston just across the river from Mt. Olive, the County Site of Izard County at that time. Bridgman and his girl had been engaged for some time and intended to get married as soon as they could strike up with Uncle Johnnie Mann at Sylamore. Preachers were scarce and they had to be on the lookout and ready for the ceremony when the preacher was found. On this occassion however, Rev. Mann did not show up at Sylamore at his regular time, but in his stead came Billy Oyler. Bridgman and his girl were greatly disappointed because Rev. Mann did not come, and after talking the matter over, decided to take a chance with the "Ten Minutes Preacher." Acting upon this resolution, Bridgman got in his canoe and rowed down to Sylamore after the preacher. He met Mr. Oyler and induced him to get into the boat and return with him. They crossed over to Mt Olive and got the necessary papers—Mr. Oyler signing the record for Bridgman who could not write. They recrossed the river and that night Mr. Oyler performed his first marriage ceremony, after which he says: "Quite a jubilee was had and a fine supper was set. I enjoyed the supper immensely, but had no desires for the fiddling and dancing."

The marriage referred to above, was was the beginning of another record which was far more remarkable than his baptismal record, for during his life-time, Mr. Oyler said the magic words which caused the building of 356 homes and which had to do with the destinies of 712 lives. There have been other men, both preachers and Justices in this section of the state who have per-

vanced class in the old "Blue back" of whom he had reason to be proud for they were all good pupils and were very apt. He had learned them to spell their words and give the definitions. On this occassion everything was running along smoothly until he came to the pupil referred to with the word "vehicle." This particular student, whether he had studied his lesson or not or whether he had gotten the word mixed with another, he proceeded with it and spelled it with all the confidence in the world and gave the definition as "a kind of pot used by the women-folks to 'bile' coffee in." He had gotten the word mixed with the word tea-kettle.

Mr. Oyler was a good school-teacher and was a successful one. He did not like the work however, as the call of the pulpit was too strongly planted within him for school-teaching or any other professiou than preaching to have any facinations for him.

As we have stated before, Mr. Oyler after coming to this County made his home for the most part with Uncle Johnnie Mann. Much as he admired and liked the big preacher, there was a daughter of Rev. Mann whom he was beginning to admire and like far more. Mr. Oyler was 22 years of age at this time and was a fine speciman of young manhood. Like he was at preaching, singing and teaching school, he was an ardent lover and could woo with the best of the swains of any geneneration. We have a little book of Mr. Oyler's which he used as a diary from his boyhood and in this little book, among other things, he speaks of "Miss Nancy." In one place, he writes of her: "Thou art my guiding star Miss Nancy. May thy path ever be the right one." In another place he says: "He is the Alpha and Omega—the beginning and ending of all things and next to him in my affections, art thou Miss Nancy."

Mr. Oyler and Miss Nancy Mann were married on July 14th 1858. They were married at the residence of the bride's parents and the cere-

several lectures on the program. There will be three lectures each day from 1 o'clock until 4 and two lectures each night from 7 o'clock until 9. This school will be of value to every farmer who feeds and raises stock,

The stock show will be free to every farmer who comes. The show stock will be cared for while in Little Rock at no expense to the owner. If you have not entered your blooded stock yet, write the Secretary at Little Rock. There will be a great show of blooded stock. Every kind of registered animal in Arkansas will be represented. Among them will be one $1000 Jersey heifer and two $800 heifers, two $1000 Hereford heifers and five of the best stallions in the country. Every class of fine fine bred hog will be on exhibition The show will be worth the trip to the meeting. You will be surprised to see the variety of the finest blooded stock in Arkansas.

You are urged to attend this meeting. It is an opprtunity to familiarize youself with the types and breed of the best stock and learn how to handle them, At the present time there is no new enterprise of so much importance to the Arkansas farmer.

Make your plans to attend this meeting of the Stock Growers. It is not necessary that you be a breeder of high class stock. Come and you will enjoy the work.

that during his whole work in the Ministry he had baptized more than 600 persons and yet was not during his life-time associated with any M. E. Conference as a regular Conference preacher, for a period of not more than five or six years all told. On account of this fact, Mr. Oyler's labors and successes as a Minister are remarkable, and stand as monuments to his great native ability and untiring energy. No man could have done as much or have accomplished as much as did Mr. Oyler unless he had been endowed or imbued with the Holy Spirit, for when the pecuniary advantages are taken into consideration, he never even received half pay for his time.

Mr. Oyler always delighted in telling of the first marriage ceremony he ever peformed, and in his own words says: "I was far more nervous than if it had been my own wedding. I could scarcely see the lines on the Marriage License and to utter a single word seemed beyond me." At the time mentioned, Mr. Oyler was not what would be called an ordained minister and at this day and time, would not have been allowed to peform marriage cere- [illegible] dif-

formed more marriage ceremonies than Mr. Oyler but his work in this line over-shadows that of the others because of the fact that he never solicted the work, and because with but very few exceptions, he never married couples outside of his immediate neighborhood. Mr. Oyler's marriages, complete with the names and dates will be published later.

Mr. Oyler along with his preaching, taught school after coming to this county. He taught a term or two on Livingston creek, and also taught near what we now call Oyler's Chapel. Mr. Oyler could relate many amusing incidents of his early experiences in the school-room. One in particular, was the definition of one of his advanced pupils in the old Blue-back Speller. We will not call any names, but the pupil in question is still alive and resides in this county and though an old man now, he will remember the incident distinctly, if he reads this narrative. It happened one Friday evening when there were several visitors present. Mr. Oyler had an advanced class in the old "Blue back" of whom he had reason to be proud for they were all good pupils and were very apt. He had learned them to spell their words and give the definitions. On this occassion everything was running along

* Folklore and traditional rumors spin the saga of Mary Polly (or Mary Molly) Oyler meeting and falling in love with an Indian guide in Izard county Arkansas. They were married and had one son, William Henry Harrison. Mary Polly maintained the name of "Oyler" and lived briefly with her indian husband in the Ash Flat area prior to his untimely death. She then moved back to Marion County Tennessee, with her son William H.H., where she married Thomas E. Barnes in 1845, then later moved back to Izard County Arkansas with both children. Solid details are sketchy at best and many variations of this story have been handed down by family and elderly residents residing in the Ash Flat/LaCrosse area of Northcentral Arkansas. Many Izard County records were lost during its division and subsequent annexation by Stone County of an area west of White River.

Contact has been made with Karl Euler a retired German Army Major whose work investigated the ancestry records there noting his family is loosely traceable to the 1400's and a family crest is visible on a church wall in Maar (Hessen) W. Germany.

Conrad came to Philadelphia Penn in Sept 1729 according to the Port records with his wife, 4 daughters, and 2 sons. They moved to York Co. Penn near Gettysburg where Conrad and his eldest son bought land about 1733. After Conrad's death in 1751, Valentine Oyler began buying the land back from his sisters and brother. There is a Thomas Oyler living on the original Gettysburg farm which is primarily orchards.

The father of William Henry Harrison Oyler was very probably an indian guide who Mary Polly Oyler met in Izard Co. Arkansas. The Izard County records were lost when the South of the Co. below White River was divided into Stone Co. Rumors among early family members are vague but support the verbal records of elderly residents around Ash Flat and La Crosse Arkansas. These are summarized briefly as: Mary Polly Oyler met and fell in love with a guide of the White, Strawberry, and Black river area. He was an Indian who somehow lost his hearing and was mute from birth. She was married to him and they lived briefly in the Ash Flat Arkansas area when he died. She took her son Wm. H.H. (Oyler) back to Marion Co. Tenn. and met and married Thomas E. Barnes there in 1845. Later they moved to Izard Co. Arkansas with 2 children of which Wm H.H. Oyler moved away and entered the ministry under the instruction of John Mann and became known as Uncle Billy serving in addition in the Ark. Legislature in 1887-1888 and as Stone Co. clerk from 1878- 1886. Wm. H.H. also had a son who became known as Uncle Billy Too.

Dear Cousin:

The enclosed documents related to "The Oylers" have been randomly gleaned from my files which regrettably have been dormant for several years. Perhaps some of the data and information will supplement your research and quest for the complete and accurate history of this unique family during your efforts to assemble your family tree.

Your name and address were gleaned from the "OYLER HERITAGE" newsletters published by Gene Fisher. Gene´s newsletters tweaked my interest in the Oyler heritage and I trust yours as well. Hopefully you will review these attachments with the same enthusiasm and interest as I when reading about "The Oylers" in Prof. Fisher´s well-documented heritage in his six newsletters.

Should you wish to contact me or provide me with any additional "Oyler News", I would be grateful. Please write me at the address below as I am extremely difficult to reach via telephone.

Thank you for your interest and cooperation.

Dear Mr. Oyler:

Enclosed are photocopies of the following:

8694 1. William Henry Harrison Oyler, biography, Weekly Arkansas Democrat (Little Rock), March 26, 1891.
2. "The Life and Works of Rev. Wm. H. H. Oyler," Stone County Democrat (Mountain View), January 23, 1914.

28778 5. Title page, German New Testament of John H. Oyler, Ash Flat, Arkansas.

Some of these copies, particularly number two, are barely legible because the microfilm negatives were poor. Our charge would normally be 25 cents a page; you may send us $1.50 for the nine pages if you wish.

28778 The New Testament was loaned to the History Commission by John H. Oyler on February 27, 1929. If you or some other member of the family can produce the receipt which Mr. Oyler received at that time, we will return the New Testament to the receipt holder.

This small Bible contains no genealogical or other information except for the names "G. W. Spurlock" and "E. F. Spurlock" on the flyleaf and the date April 18, 1812 as part of an otherwise indecipherable inscription inside the back cover.

Very truly yours,

Dear Mr. Oyler;

Since my conversation with you a few days ago, I have had little opportunity to re-aquaint myself with the Oyler family material. I did give your address to Freddie Luther, an Oyler descendant living here.

The following is taken from the ARKANSAS DEMOCRAT, March 23, 1891- page 6 - colmn 1-2.

8694 Hon. William Henry Harrison Oyler, the senator from Stone, lives near Mountain View, in said county. He was born in Marion County, Tenn, Nov. 21, 1837. His maternal ancestors were from Virginia. His maternal grandmother was a daughter of Major Cochran, who was conspicuous in the Revolutionary War. The subject of this sketch obtained a fair English education in the common schools of his county. At an early age he was taught the tanery trade but it did not occupy his time and he abandoned it and came to Arkansas in November 18___. When the civil war broke out he enlisted August 13, 1861. He was ____________ into the army September 1, 1861 at Pocahontas, Arkansas. The regiment known as McCarvers. Post ____________ under Maj. Kelly....................

(I could not decypher any more of the article, the film was not plain at all.)

I am enlclosing family pedigree sheets that will not doubt be of interest to you. I have not had a chance to find the other material(newspapers) we talked about.

I would gladly pay for copies of the Oyler Material on the family beyond Wm. H. H. Oyler.

that during his whole work in the Ministry he had baptized more than 600 persons and yet was not during his life-time associated with any M. E. Conference as a regular Conference preacher, for a period of not more than five or six years all told. On account of this fact, Mr. Oyler's labors and successes as a Minister are remarkable, and stand as monuments to his great native ability and untiring energy. No man could have done as much or have accomplished as much as did Mr. Oyler unless he had been endowed or imbued with the Holy Spirit, for when the pecuniary advantages are taken into consideration, he never even received half pay for his time.

Mr. Oyler always delighted in telling of the first marriage ceremony he ever peformed, and in his own words says: "I was far more nervous than if it had been my own wedding. I could scarcely see the lines on the Marriage License and to

formed more marriage ceremonies than Mr. Oyler but his work in this line over-shadows that of the others because of the fact that he never solicted the work, and because with but very few exceptions, he never married couples outside of his immediate neighborhood. Mr. Oyler's marriages, complete with the names and dates will be published later.

Mr. Oyler along with his preaching, taught school after coming to this county. He taught a term or two on Livingston creek, and also taught near what we now call Oyler's Chapel. Mr. Oyler could relate many amusing incidents of his early experiences, in the school-room. One in particular, was the definition of one of his advanced pupils in the old Blue-back Speller. We will not call any names, but the pupil in question is still alive and resides in this county and though an old man now, he will remember the incident distinctly, if he reads this narrative. It happened one Friday evening when there were several visitors present. Mr Oyler had on ad-

The fund being insufficient to buy a monument, it has been laying in the Bank for last three years while interest in the move seems to have subsided. In order to try to add enough to this fund to buy the desired monument, we make you the following proposition: To any and all who subscribe for the Democrat and pay $1 in advance, we will place 25 cents of it with this monument fund. In order to protect ourselves however, we ask that when subscribing, you state whether or not, you desire 25cts of it to go to the Oyler Monument Fund.

CHAPTER ONE

Continued From Last Week

during the following winter and attended the winter term of school. He was rapidly pursuing his study for the Ministry, and was also now preparing himself to teach school.

At that time church services were not held in that section, but about once every two or three months, and sometimes not at any time except the "Big Meeting" during the summer. There were no Sunday Schools either, and Mr. Oy- proceeded to inaugurate a Prayer Meeting of his own accord and every Sunday he and his little flock would get together and pray and sing. Tho he was young in years and experience, he was recognized by the people of his neighborhood, as their leader in all these religious services, and while he really never attempted to preach at this time, he would always read a chapter or two from the Book and would lead in prayer.

The following summer, Mr. Oyler taught a two months subscription school near Ash Flat and though it was his first attempt at teaching, he had a successful term of school.

Shortly after his school was out, the Rev. Mann on his annual summer rounds, again made it into that section, and about the first person he inquired after was his singer, Bill Oyler. Oyler was on hand all had finished his sermon. At this age of his life, Mr. Oyler was as straight as a pine; had a keen intelligent eye, and made a very impreessive appearance in the pulpit or elsewhere.

Mr. Oyler, while a Methodist by faith and while a great believer in Rev. Mann's preaching, had original ideas of his own, as to the teachings of the Bible, and if Rev. Mann happened to preach something that did not suit his understanding of the point in question, he would tell Rev. Mann about it, and usually their difference of opinion would result in a Scriptural argument. One old citizen tells us that the hardest preaching he ever saw Johnie Mann do, was when he was trying to get Bill Oyler to understand some passages of Scripture as he did. But Mr. Oyler had ideas of his own and no common argument could change his views.

One of Rev. Mann's favorite pulpit themes, was the "Atonement," and he would preach from this subject every time the opportunity afforded. This theme appealed to Mr. Oyler much, and as he was with Rev. Mann constantly, and could hear him preach from that subject very often, Mr. Oyler naturally gave it a great deal of thought and like it had been with Rev. Mann, it became his pet theme, and throughout his entire life-time, he was always at his best when preaching from this subject. When he was singing and exhorting for Rev. Mann, Mr. Oyler had his whole heart in the work, and even at that time had a great influence over any congregation.

He came on to this County from Izard 1857 and made his home with Rev. Mann near here. During that same summer, Mr. Oyler held his first church service and preached his first real sermon. He went to Syhore and filled an appointment : Rev. Mann. As might be expected, his theme on this his first attempt at preaching, was: "The Atonement." He did not detain his congregation long, however, on that occasion, and for several years afterwards was noted for the short time would take up, when in the

utter a single word seemed beyond me." At the time mentioned, Mr. Oyler was not what would be called an ordained minister and at this day and time, would not have been allowed to peform marriage ceremonies, but at that time it was different, and "he who preached could marry folks." The contracting parties was a certain Bridgman and a lady, the name of whom we are unable to give at this time. Bridgman was a ferryman at Livingston just across the river from Mt. Olive, the County Site of Izard County at that time. Bridgman and his girl had been engaged for some time and intended to get married as soon as they could strike up with Uncle Johnnie Mann at Sylamore. Preachers were scarce and they had to be on the lookout and ready for the ceremony when the preacher was found. On this occassion however, Rev. Mann did not show up at Sylamore at his regular time, but in his stead came Billy Oyler. Bridgman and his girl were greatly disappointed because Rev. Mann did not come, and after talking the matter over, decided to take a chance with the "Ten Minutes Preacher." Acting upon this resolution, Bridgman got in his canoe and rowed down to Sylamore after the preacher. He met Mr. Oyler and induced him to get into the boat and return with him. They crossed over to Mt Olive and got the necessary papers—Mr. Oyler signing the record for Bridgman who could not write. They recrossed the river and that night Mr. Oyler performed his first marriage ceremony, after which he says: "Quite a jubilee was had and a fine supper was set. I enjoyed the supper immensely, but had no desires for the fiddling and dancing."

The marriage referred to above, was was the beginning of another record which was far more remarkable than his baptismal record, for during his life-time, Mr. Oyler said the magic words which caused the building of 356 homes and which had to do with the destinies of 712 lives. There have been other men,

vanced class in the old "Blue back" of whom he had reason to be proud for they were all good pupils and were very apt. He had learned them to spell their words and give the definitions. On this occassion everything was running along smoothly until he came to the pupil referred to with the word "vehicle." This particular student, whether he had studied his lesson or not or whether he had gotten the word mixed with another, he proceeded with it and spelled it with all the confidence in the world and gave the definition as "a kind of pot used by the women-folks to 'bile' coffee in." He had gotten the word mixed with the word tea-kettle.

Mr. Oyler was a good school-teacher and was a successful one. He did not like the work however, as the call of the pulpit was too strongly planted within him for school-teaching or any other professiou than preaching to have any facinations for him.

As we have stated before, Mr. Oyler after coming to this County made his home for the most part with Uncle Johnnie Mann. Much as he admired and liked the big preacher, there was a daughter of Rev. Mann whom he was beginning to admire and like, far more. Mr. Oyler was 22 years of age at this time and was a fine speciman of young manhood. Like he was at preaching, singing and teaching school, he was an ardent lover and could woo with the best of the swains of any geneneration. We have a little book of Mr. Oyler's which he used as a diary from his boyhood and in this little book, among other things, he speaks of "Miss Nancy." In one place, he writes of her: "Thou art my guiding star Miss Nancy. May thy path ever be the right one." In another place he says: "He is the Alpha and Omega—the beginning and ending of all things and next to him in my affections, art thou Miss Nancy."

Mr. Oyler and Miss Nancy Mann were married on July 14th 1858. They were married at the residence of the bride's parents and the cere-

He is the father of eight boys and one girl, the issue of his marriage. He cast his first vote for James Buchanan for president and voted the Democratic ticket without a scratch until 1888. In 1888 he was elected on the Fusion ticket representative from St. Francis county, and was re-elected in 1890 on the Union Labor ticket.

He is an earnest worker, a fluent talker, and is nearly always on the safe side of public questions. He possesses a pleasing address, and though earnest and persevering in his efforts to accomplish a purpose, he is always courteous and obliging to those with whom he comes in contact. He has been very successful during the present session in securing the passage of his bills, and he is the author of some of the most important measures enacted by the present general assembly.

[illegible] though one of the youngest, is one of the ablest and most influential members of the house. He began his legislative career with that degree of proper caution which insures success, and rapidly rose to a distinction which designates him as a leader of men.

He is a native Arkansian, having been born in Lawrence county, his present home, twenty-nine years ago. In 1881 he graduated at the Arkansas college at Batesville. In 1886 he was elected county and circuit clerk as the Democratic nominee, defeating his opponent by 1030 majority, the balance of the ticket being defeated. He was re-elected in 1888, and at the expiration of his second term turned the affairs of his office over in a most excellent condition to his successor. In 1890 he received the nomination of his party for representative, and during the canvass visited every section of his county and did much valuable work for Democracy. He defeated his opponent by the largest majority ever given a candidate in his county.

At the beginning of the present session he was appointed chairman of the committee on the books of the state land commissioner and superintendent of public instruction, one of the most important committees in the house. His report as chairman of that committee, as submitted in the house, is one of the clearest, fullest and most satisfactory of a similar character ever entered on the house journals. He also served as a member of the joint committee on auditor's and treasurer's books, and in the capacity of secretary to the committee did much of the difficult work in unravelling the tangled skeins in the Woodruff shortage. He was a member of the committee on education, and helped materially shape many of the educational measures reported to the house. His bill to incorporate booming and rafting companies, which he carried successfully through both houses, is of great importance to the people of the entire state. In debate he is strong and forcible, and his reasoning stamps him as a man of wide experience and fine ability. He has been favorably mentioned in connection with the secretary of stateship, and whether or not he should run for that office, there is certainly a bright political future in store for him. Lawrence county certainly has cause to be proud of her representative.

Wm. Manning was born in the

elling the tangled skeins in the Woodruff shortage. He was a member of the committee on education, and helped materially shape many of the educational measures reported to the house. His bill to incorporate booming and rafting companies, which he carried successfully through both houses, is of great importance to the people of the entire state. In debate he is strong and forcible, and his reasoning stamps him as a man of wide experience and fine ability. He has been favorably mentioned in connection with the secretary of stateship, and whether or not he should run for that office, there is certainly a bright political future in store for him. Lawrence county certainly has cause to be proud of her representative.

La Grippe Again.

During the epidemic of La Grippe last season Dr. King's New Discovery for consumption, coughs and colds, proved to be the best remedy. Reports from the many who used it confirm this statement. They were not only quickly relieved, but the disease left no bad after results. We ask you to give this remedy a trial and we guarantee that you will be satisfied with results, or the purchase price will be refunded. It has no equal in la grippe, or any throat, chest or lung trouble. Trial bottles free at W. H. Halliburton's drug store. Large bottles 50c and $1.

Old Lady (with pardonable pride)—Yes, my boy is mighty smart, if I do say it myself.

Visitor—Does he use a pseudonym in his writing?

Professed religion Wednesday night, Sept. 25, 1888, and joined the Methodist Episcopal Church, South. Departed this life Tuesday, Feb. 19, 1889, at 7.35 p. m. Aged 15 years, 8 months and 18 days. Charley was named for the Rev. Charles Gregory of Beebe Station. He was good and kind to all.

ENSLEY.—Mary Boyd was born October 1816; was baptized in infancy by Phillip Henkle; was married to Alexander Easly, Nov. 15, 1841; came with her husband from Tennessee to Arkansas in 1859 and settled in this community. She was left a widow 28 years ago. She was received into the Church by Bro. Hugh Barrett in 1854. She remained a faithful member to the day of her death, which sad event took place at the home of her son-in-law, Bro. G. E. Oyler on the evening of Sept. 13, 1889. In her life she exemplified the fact, that she knew in whom she had trusted. We commend the example of this aged servant of God, to her children and grand-children. Follow her as she followed Christ.

My husband Andrew J. works as heavy equipment operator & we have lived here 16 years, [illegible] in Kentucky Ky. I'm interested in this family history finding & interesting things are uncovered. I wrote Marilyn because she has been tracking down lots information and now she would like to hear from you too. I was wondering how you got our name & address

March 15, 1982

Dear Mr. Oyler,

My dad, Andrew J. Oyler ask that I write to you regarding the letter of January 16 concerning the Oyler family. I must apologize for being so slow in answering. I am a teacher on the Navajo reservation and find myself very busy, but nevertheless enjoyed receiving your letter. I have been very interested in the Oyler ancestary, but I have had difficulty finding information. Some of the information in your letter has been quite helpful. I didn't know that Oyler was a German name. I had always been told that it was English.

This is how our family runs:

1. William Henry Harrison Oyler
born Nov. 21, 1839 in Marion Co. Tenn.

2. John Samuel Oyler
born April [illegible] in Arkansas

3. Andrew Jackson Oyler (my Dad)
born June 1927 in Harrison Arkansas

4. Marilyn Joyce [illegible] Foster (me)
born [illegible] in Missouri

This is as far back as we have information. I was wondering if Frederick or Daniel might be the father of William Henry Harrison

Oyler? William Henry Harrison Oyler had a very interesting life. His life history was written in chapters in the Stone Co. Newspaper. I have only 1 chapters. I cant seem to find the rest of the story. The newspaper office did not keep articles that far back. W. H. H. Oyler was a circuit rider, held county offices, plus represented Stone Co. in the legislature. (So I have been told) his mother was a full-blooded Cherokee Indian his father a white man. He left home at age 16.

Do you know of any Indian ancestory in the Oyler family? I hope what little information

I have given you has been helpful. If you have any further information I would certainly appreciate hearing from. I enjoyed reading your letter. Please keep in touch. If I find any further information I will let you know.

Rumors are that the father of William H H Oyler might have been an Indian. It appears that Gideon E Oyler's fahher might have been Henry I. Maroney, as Mary Polly Oyler brought suit against in Marion Co Tenn cour on January 1, 1844, for committing an act of bastordy against Mary Polly, and the court found him guilty and fined Maroney.

Mary Polly Oyler married Thomas E Barnes in Marion Co Tenn about 1845, they later moved to Arkansas

July 23, 1983

I received a call last week from Ernestine Wiggins. of 102 Coronation Dr Houston Texas 77034, and found out she is a great granddaughter of Gideon Cyler of Sharpe Co Ark, who was a cousing of my grandfather James Monroe Cyler from Dekalb Co Ala.

Ernestine and her husband had just returned from a trip which included stop at Gettysburg and a Roanoke with a visit with Russell Cyler Hannabass, another Cousine, she was real excited about the Cyler family tree and wanted a book from me, I asked her to send her own connection to Gideon Cyler, so I could include it in the files I now have.

I mailed here a book on 7/23/83 with about 100 pages and wrote her that it is too expensive to copy everything I have which runs close to 600 to 700 pages from different members of the family.

Here is the wayshe connects with us:

36 Conrad Cyler 1675-1690 to 1751
1223 Valentine Cyler 1722- 1790
1277 Valentine Cyler 1754-1825

Jacob Reif and Jacob Seller were probably both *Neuländer*, a class of persons fully noticed in *Rupp's Fireside History of the Germans in Pennsylvania*. Jacob Reif was once a conspicuous person in the early history of the German Reformed Church.

In A are the names of fifty-five females; among others, the wife of Jacob Reif, Veronica Reif, Eliza Seller, Anna Christiana Schlengeluff, Apalis Schlengeluff, Anna Barbara Ranck, Mary Ann Crössman.

Jacob Reif und Jacob Seller waren wahrſcheinlich beide Neuländer, eine Art Leute, welche in „Rupp's Geſch. der Deutſchen in Pennſylvanien für den häuslichen Kreis" gründlich behandelt ſind. Jacob Reif war ſeiner Zeit eine bedeutende Perſönlichkeit in der Geſchichte der deutſch-reformirten Kirche.

In A ſind die Namen von fünf und fünfzig Frauen; unter anderen: die Frau von Jacob Reif, Veronica Reif; Eliſa Seller, Anna Chriſtiana Schlengeluff, Apalis Schlengeluff, Anna Barbara Ranck, Marie Anna Crößmann.

[a] *Peter Müller* was a native of Oberamt Lautern, Germany. He graduated at Heidelberg. He was a man of profound erudition—of more than ordinary powers of mind—a finished scholar, as is evident from testimony born him by the Rev. Jedediah Andrews. In a letter dated Philadelphia, 10 mo., (Oct.) 14th, 1730, "There is," says Andrews, "lately come over a Palatine candidate of the ministry, who, having applied to us at the synod for ordination, 'tis left to Tenant, Andrews and Boyd to do it. He is an extraordinary person for sense and learning. We gave him a question to discuss about *Justification*, and he answered it, in a whole sheet of paper, in a very notable manner. His name is John Peter Müller, and speaks Latin as readily as we do our natural tongue." In 1735, he connected himself with the *Siebentägers*, of Ephrata. He died Sept. 25, 1796. His remains rest at Ephrata, Lancaster County, Pa.—*Rupp's His. Lan. Co., p.* 229.

[a] Peter Müller iſt im Oberamt Lautern in Deutſchland geboren. Er graduirte auf der Heidelberger Univerſität. Er war ein Mann von tiefer Gelehrſamkeit und beſaß außergewöhnliche Geiſteskräfte, wie aus dem Zeugniß des Paſtors Jedediah Andrews erſichtlich iſt. In einem, Philadelphia, den 14. Oct. 1730 datirten Briefe ſagt er: „Es iſt kürzlich ein theologiſcher Candidat herübergekommen aus der Pfalz, der auf ſeine Anmeldung bei der Synode zur Ordination an Tenant, Andrews und Boyd verwieſen wurde. Er iſt eine außerordentliche Perſönlichkeit, was Verſtand und Gelehrſamkeit anbetrifft. Wir legten ihm eine Frage bezüglich der Rechtfertigung vor, welche er auf einem ganzen Bogen Papier ausgezeichnet beantwortete. Sein Name iſt John Peter Müller und er ſpricht Latein ſo fließend, wie wir unſere Mutterſprache." 1735 verband er ſich mit den Siebentägern zu Ephrata. Er ſtarb am 25. Sept. 1796. Seine Ueberreſte ruhen zu Ephrata, Lancaſter Co., Pa.—Rupp's Geſch. Lanc. Co., S. 229.

*** Response to your Message Board Posting ***

Bardini;

If you are getting a GPF in FOW_DB.DLL or that the screen locks up after the splash screen, here is a work around. You will need to first make sure you have the 4.1 version of the program,(help and about will tell you) then you will need to exit Family Origins, open file manager or whatever and sort them by name. All the database files will start with the name of their database and have an assortment of other letters after as well as various extensions.

They will need to find the file with the name of their database and a P.CDX after it. This is their index file. Delete or rename this one, reopen the program and they should be able to get in.

For your convenience a copy of our response to your posting on the message board is being sent to you via E-mail. If we can be of any further assistance, please post a message as a response to our reply which is located under your original posting on the message board. In this way, your message will be received by us and will allow us to keep track of the problem that may require more than one course of action. This will also aid in keeping correspondence dealing with a specific topic and all the pertinent information in one place. Furthermore, posting the messages on the message board will also help the other AOL users to keep track of any topics or queries that may be of interest to them.

I've been trying to help my neighbor with his Family Origins software. When he attempts to add new entries, he first gets the the "ignore/close" window. He chooses "close", and the next box says something to the effect that there was an error in FOWINDB.DLL at 0001:00062.

Dear Oylers,

This past week as I was looking through some family history materials, I found this letter from monroe Oyler (copy enclosed). I really don't recall making a response to the letter at the time, but I am very interested in comparing Oyler Lines with you. Yes indeed Daniel Oyler born about 1792 in (Viriginia) (who is in my direct line) was indeed a brother to Frederick Oyler in your line (Born 1785 in maryland). 9133 8687

I am most interested in the seeming name change from Eyler to Oyler beteen the Valentine Oylers father and son in the 1700's. Do you have any information on the why of this change in names.

also would you please send me any information you may have on any of the Oyler Lines - I will be most appreciative!

Yours Sincerely,

Dick L. Oyler >3761
